Q2 What are your rules for when an emergency clause can be used on an ordinance?

Answered: 5 Skipped: 0

#	RESPONSES	DATE
1	(A) Each emergency ordinance or resolution shall determine that the ordinance or resolution is necessary for the immediate preservation of the public peace, health, safety or welfare, or for the urgent benefit or protection of the City or its inhabitants, whether individuals or other entities, and shall contain a statement of the necessity for the emergency in the body of the ordinance or resolution. (B) Ordinances and resolutions for any of the following purposes shall not be enacted as emergency measure: (1) Granting, renewing or extending a franchise; (2) Establishing rates to be charged for services by investor owned public utilities or public utilities owned or operated by the City; and (3) The enactment, amendment or repeal of any ordinance or resolution: establishing, amending, revising, changing or repealing zoning classifications, districts, uses or regulations or codes regulating structural standards for the construction, alteration or improvement of buildings and other structures; or eliminating or modifying specific provisions of the civil service laws of Ohio and substituting local provisions or procedures in lieu of the specific provisions of those laws.	5/30/2019 2:08 PM
2	When there is an emergency, for the "immediate preservation of the public peace, health, safety, morals, or welfare" of the City. Emergency ordinances must contain a separately clause explaining the reason for the emergency and require 5 affirmative votes.	5/30/2019 1:57 PM
3	When an ordinance needs to take effect immediately. The name "emergency clause" is a misnomer; it equates to effective immediately. We don't do many ordinances and instead do resolutions which do not have emergency clauses.	5/30/2019 3:53 AM
4	Emergency legislation is covered by the City Charter	5/29/2019 3:21 PM
5	There are no specific rules under our Charter. Council can approve any legislation by waiving the required three readings and make it effective immediately by a 2/3rds majority of the council.	5/29/2019 3:00 PM

Q3 How does your city council direct the administration to take action?eg- motions, direct contact, etc.

Answered: 5 Skipped: 0

#	RESPONSES	DATE
1	Ordinances, Resolutions, Simple Motions, Direct Contact	5/30/2019 2:08 PM
2	Motion	5/30/2019 1:57 PM
3	Either through motion, resolution or ordinance. Our Council Committee process is utilized for nearly every piece of legislation that goes before council and that is another way of directing staff.	5/30/2019 3:53 AM
4	Motion agenda, consent agenda and legislation depending on the situation for items requiring legislative authority approval.	5/29/2019 3:21 PM
5	It depends. As City Manager, I evaluate whether a council member needs a motion of council to direct my office to take action. In some instances, if I know or believe what a council member is requesting is not "controversial", I will proceed. It is only if I think there not be general acceptance of the action that I ask council for a motion to move forward.	5/29/2019 3:00 PM
