3	I've always been told that our zoning regulations regarding the definition of "single family" would not stand up in court, although that is typically what I rely on when I talk to people about opening a group home in a residential district in the Township. I generally ask a LOT of questions regarding what they're wanting to do, who they're licensed through, etc. I'd be curious to know what other people are doing.	8/2/2023 3:54 PM
