CLOSING DATE 1/29/2024 5:00 PM Eastern

The City of Blue Ash is seeking strong team-oriented applicants for a full-time Service Worker I position within the Public Works Department. The Service Worker I performs under the direction and supervision of the Superintendent.

This position operates trucks, light motor equipment and miscellaneous public works equipment; maintains streets, storm sewers, equipment, grounds and buildings; performs light and heavy manual labor; and other appropriate duties as assigned.

The City of Blue Ash offers a competitive benefits package and opportunities to grow both professionally and personally. All 'regular' employees are eligible for traditional benefits such as health insurance, life insurance, paid leave, 12 paid holidays a year, a pension plan and a deferred compensation plan, but we also offer great things like free membership at the Recreation Center, discount golfing, discounts at City owned restaurants/concessions, and tuition reimbursement.

Employees in this class must be able to perform a variety of public works tasks, which at times require developed skills or training. The employee must exercise common sense and initiative, possess the ability to learn routine duties through repetitive experience; maintain a desire to serve the public and improve community appearance and facilities, possess the ability to follow instructions in carrying out assignments and possess sufficient physical strength and endurance to perform heavy manual labor under varying weather conditions. The Service Worker I performs under the direction and supervision of a supervisor.
