

Fall Protection**

Don't become a statistic!

****Approved for 2.5 EPA contact hours**

**Sponsored by
Miami Valley Risk Management Association**

What is one of the top three causes of death at work? Answer: Falls. Each year more than 200 workers die and over 100,000 are injured as a result of falls. Don't become a statistic. Attend this hands-on program and learn up close the means and methods of protecting against the hazards of falls. This "must attend" course is sure to inform, empower and entertain.

Topics to be discussed and demonstrated will include:

- Review of common fall hazards (ladders, working at heights)
- The costs of a fall to the city and the worker
- Hands-on demonstration of three optional protective systems:
 - ❖ Guardrails
 - ❖ Controlled Access Zones
 - ❖ Personal Fall Arrest Systems
- And much more.....

Friday March 22, 2024 (only register for one 1/2 day session)

Session 8:00 a.m. to 11:00 a.m.

Session 2 – 12:00pm-3:00pm
