ABOUT THE CITY OF LEBANON, OHIO

The City of Lebanon is located in the heart of one of the fastest growing counties in the state, and is supported by an excellent school system, reasonable tax and utility rates, and an outstanding quality of life. The City of Lebanon is a full-service municipality that provides water, sewer and electric utility service to residents and businesses. The City's annual operating budget is over \$120 million, and the City has an experienced and stable leadership team.

Lebanon is conveniently located midway between the Cincinnati and Dayton metropolitan areas. Two major interstate highways are readily accessible including I-75, located seven miles west of the City, and I-71, which borders the City to the south. The community is also served by county and state highways, including Routes 48 and 42, which run north and south, and Routes 63 and 123, which run east and west. This central location offers convenient access to a wide range of regional amenities, attractions and services in nearby metropolitan areas.

Lebanon is home to a historic downtown that offers a diverse and eclectic mix of the old and the new, with both traditional and progressive businesses, all within a leisurely walk. The tree-lined streets and inviting storefronts are bursting with charm and offer a quaint village atmosphere filled with the finest establishments: creative specialty shops, charming antique stores, modern

services, delightful dining options, festive special events and more.

The City is focused on quality business growth within our community. Over 80 acres have been recently annexed into the City in the business park to support this continued business growth. Over the past two years, there has been \$111.4 million in public and private development investment in our community. Additionally, the City has a progressive small business grant program to support the many outstanding local businesses within Lebanon.

Residents have excellent recreation opportunities through the Lebanon Parks System which is comprised of 17 unique parks that cover over 700 acres and boasts over 10 miles of trails.

Lebanon takes pride in offering residents healthy lifestyle options with a local farmers market, farm to table restaurants, community wellness challenges and an annual Healthy Living Market. The City prioritizes community and employee wellness, and has been awarded the "Healthiest Employer of Ohio" recognition in 2022, 2023 and 2024.
