## SAVE THE DATE:

### **Newly Elected Officials: 2026**

Please save the date for the 2026 Newly Elected Officials training, presented by Miami Valley Technology & Communications Group and the Miami Valley Risk Management Association. This session will help newly elected officials make sense of all of the intricacies' of local government, including topics such as:

- Understanding the Council / Manager form of government.
- Collective Bargaining
- Sunshine laws, open meetings laws, and public records
- Public Comment
- Local Government Ethics
- Planning & Zoning
- Economic Development
- Government Finance
- And much more!

This session will be beneficial for any newly elected official, or for any experienced elected officials looking for a refresher. We hope to see you there!
