presentation starts at 12:15)

**Cost:** \$20.00 Payable at door or check mailed to CLG Office (4015 Executive Park Dr.  
Suite 226, Sharonville, OH 45241)

---

Cyber incidents at local governments are on the rise in Ohio and across the nation. There are so many cybersecurity vendors, blogs, and guidebooks; ensuring your village, township, city, or county is prepared to respond can seem overwhelming.

In this session, you'll learn about a whole-of-organization training that the State of Ohio and University of Cincinnati is providing at no cost to local governments called Ohio Persistent Cyber Improvement (O-PCI). You'll learn how you can partner to receive this training at your government.

---

### Menu

Pizza (with a variety of toppings), and salad will be served, along with soda, iced tea and water. If you would like a cauliflower crust, please note that with your RSVP.

Please RSVP to Ziah Huett (ZHuett@C4LG.org) or 513-741-7999 by 4/16/2026.
